

CITY OF HOLTS SUMMIT, MISSOURI

POST-CONSTRUCTION CERTIFICATION
OPENINGS IN FOUNDATION WALLS

Required for buildings located in special flood hazard areas in accordance with the National Flood Insurance Program Technical Bulletin No. 1-93. To be completed by a registered professional engineer or registered architect.

Project Name _____

Project Location _____

I hereby certify that the opening(s) installed in the aforementioned building will allow for the automatic equalizing of hydrostatic flood forces on exterior walls by allowing for the automatic entry and exit of floodwater during floods up to and including the base (100-year) flood.
